Who We Are

1.1: OUR STORY

The Africa Safari is something that is on most travellers' bucket list. Native Africa Trails knows that, and that's why we want to make sure that every safari can turn a dream adventure into reality. Our goal is to truly show our visitors why Africa is a wonder to behold, a unique beauty.

Our services can truly capture that. Native Africa Trails offers the best accommodations, accompanied with highly trained and experienced guides that will help people feel like they are stepping onto another plane, where they can truly be devoid of their past problems and stress. Native Africa Trails exists so we can bring people the thing that's missing in their lives: the adventure of a lifetime, one that will make them feel like it was all worth the wait. Your adventure awaits!

1.2: MESSAGING FRAMEWORK

The Messaging Framework is a tool used to define the foundation of a brand, whether that brand is a person, a product, or a company. It is an integral part of messaging and serves as the foundation from which all forms of visual and verbal communications are derived. All brand decisions stem from the Messaging Framework.

- Couples who want to celebrate an anniversary by going on a romantic and adventurous journey in Africa
- Retired couples who have always wanted to get a taste of the African safari adventure and now get to do just that.

1.4: FUNCTIONAL BENEFITS

The reasons why our consumers benefit from us

EMOTIONAL BENEFITS

Why do consumers believe they benefit from us; why do they tell themselves to do business with us?

Luxury

Native Africa Trails brings a certain unique luxury to the traditional safari adventure by providing the best services possible and making sure that everyone feels like they're safe and relaxed.

Rejuvenate

Native Africa Trails can show people a world outside of the one they've been living in all this time. They get to cut away from all the stress and problems of the world and live in a moment of peace and tranquility, one that they will cherish forever.

Immersion

Our clients get to have the best experiences possible by being fully immersed in the environment and wildlife that we show them. Every visitor will feel like they're stepping on a new world and leave the old one behind.

Cared For

Every single one of our clients will feel like they're being cared for. The experts working at Native Africa Trails can give them the best accommodations and the most fulfilling journeys. We know how to answer every single question that a client might have, and know how to make the trip fun as well as constructive.

Adventure

Native Africa Trails gives people exactly what they are after: the adventure of a lifetime. We seek to show people many different types of wildlife and beautiful environments. They get to see and experience it all.

Security

Native Africa Trails makes every client's security a top priority. They will never have to be afraid of anything that might endanger their life. Their trip is going to be secure, satisfying, and feel like a true adventure.

1.5: STORIES

A simple way to explain how customers benefit from Native Africa Trails

PROOFS

Proofs that support our claims.

A married couple that have been together for many years decided to visit one of our safaris as part of their retirement plan.

A couple in their early 30s decided to have a themed wedding. They wanted it to take place in one of our safaris.

A couple of newlyweds in their late 20s wanted to go on their honeymoon somewhere where they could learn a lot about African wildlife. They decided to visit one of our safaris.

A couple in their 50s wanted to renew their wedding vows as part of their anniversary and chose to visit one of our safaris to do so.

A couple from the United Arab Emirates and happened to be vegetarians were extremely happy with both the food arrangement and the wildlife sights.

A married couple from Germany were very satisfied with our guide who had a great answer for every single one of their questions, as well as the sights they got to see. They were also very pleased with the accommodations that we had for them.

A couple from Switzerland were very pleased with the organization that we provided. They went as far as to call it 'perfect'. They appreciated the time they got to spend in the wild, the knowledge they gained, and their driver.

A couple from Kenya felt very immersed in the experience that we provided. They felt like they were taken care of and that all their needs were met.

1.6: BRAND PERSONALITY

What personality do we want to permeate through our communications?

Knowledgeable

Native Africa Trails makes it possible for clients to learn everything there is about the African wildlife. They trust in our skills to keep them safe and guide them through an amazing journey.

Warmth

The people working at Native Africa Trails are warm, welcoming, and happy to answer every and all questions that might arise throughout the journey. Our clients feel at home.

Adventurous

At Native Africa Trails, we are all very upbeat and happy to welcome every visitor that wants to have an unforgettable experience. We give people the full package. By the end, they will feel like they have to return and experience the journey and adventure all over again.

Logo Elements

2.1:

NATIVE AFRICA TRAIL LOGO

The logo is used to identify Native Africa Trail, increase brand recognition, and differentiate Native Africa Trail from competitors.

A logo is the combination of an icon, wordmark, and color. Below is a breakdown of what each represents for Native Africa Trail.

Wordmark:

The wordmark is the actual name of the company. The wordmark is made of a sans serif font, which gives the logo a modern touch that is scalable in print and mobile platforms.

2.2:

NATIVE AFRICA TRAIL ICON

2.3:

LOGO PROTECTION & MINIMUM SIZE

The protection area prevents other elements from invading the identity, ensuring presence, hierarchy, and readability. The protection area is the height of half of the logo.

None of the reductions may be less than the specified size. This measure has been defined to ensure the integrity of the identity.

2.6:

WATERMARK

The watermark should be used in the following ways:

- As a lower border where there is information or copy.
- In press or marketing documents.

The watermark pattern is formed by a series of crosses. It will be used at 5% of the original color.

It can be used for example:

- Folder interiors
- Envelope interiors
- Presentations
- Wall imagery
- Letterhead
- Packaging

2.7: DESIGN ELEMENT

Design Element:

Native Africa Trail is not an add on or just another travel company, but an asset to your life events and travel. From this we would like to see our brand as an added value to our customers events and life.

The design element should always be placed on the left lower corner of the page on any material or right side.

Color Palette & Typography

3.1: COLOR PALETTE

Color can influence decision making as well as increase trust for a brand.

The colors that have been selected coincide with the brand story of ethics, integrity, technology, and hope for making the world of technology and mankind better.

Green

Green indicates nature and health, making it a great color for an outdoors travel agency, but red, which symbolizes high activity, may be better for city travel.

Yellow

While black represents exclusivity and glamor, good for luxury hotels, yellow gives off a warm and friendly vibe good for family fun.

Black

Gray is a sophisticated color that represents smarts, wisdom, and intelligence.

White

White represents purity, cleanliness, and integrity. White shouldn't be underestimated.

Brand Coverage Percentage: Primary 15% (Green & Yellow), Secondary (light green) 75% (Gray and White), Copy 5% (Black and Gray), and Accent 5% (yellow).
